**About OCFIT LAS2winz**

Team LAS2WINZ became one of the biggest communities at the Castaic Lake race in 2018 when over 100+ spartans raced for a dear friend Johnny-who was battling cancer at the time, he wished he could have been racing but he couldn't due to his treatment. Not only did everyone show up to the race to race in his honor; we also came together and fundraised over \$5,000 to help with his cancer treatment. Since then, Las2winz Fitness has become a community that helps one another to achieve fitness, nutrition and life goals.
